A display terminal shall be considered an output device if the Emigre Font outline is embedded or otherwise included for viewing by end users in a multimedia CD.
3. Except as permitted herein, you may not modify, adapt, translate, reverse engineer, decompile, disassemble, alter or otherwise copy the Emigre Font Software.
4. You are permitted to make a single back-up copy. The Emigre Font Software or documentation may not be sublicensed, sold, leased, rented, lent, or given away to another person or entity.
5. The Emigre Font Software may be returned or exchanged only if defective. Defective software will be replaced when accompanied by a valid sales receipt and Emigre is notified within one (1) week of purchase.
6. You agree that any derivative works created by you from the Emigre Font Software, including, but not limited to, software, EPS files, or other electronic works, are considered derivative works under U.S. Law and use of the derivative work is subject to the terms and conditions of this License Agreement. 7. The Emigre Font Software is protected under domestic and international trademark and copyright law. You agree to identify the Emigre fonts by name and credit Emigre's ownership of the trademarks and copyrights in any design or production credits.
8. Any breach of the terms of this Agreement shall be cause for termination. In the event of termination, and without limitation of any remedies under law and equity, you agree to immediately return the Font Software to Emigre and certify that no copy remains in your possession or control.
9. EMIGRE MAKES NO WARRANTIES, EXPRESS OR IMPLIED AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE. WITHOUT LIMITING THE FOREGOING, EMIGRE SHALL IN NO EVENT BE LIABLE TO THE LICENSED USER OR ANY OTHER THIRD PARTY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES, INCLUDING DAMAGES FROM LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCT EVEN IF NOTIFIED IN ADVANCE. UNDER NO CIRCUMSTANCES SHALL EMIGRE'S LIABILITY EXCEED THE REPLACEMENT COST OF THE SOFTWARE. FOR MORE INFORMATION REGARDING THIS LICENSE GO TO: <http://www.emigre.com/EUL.html>

**FONT EMBEDDING** Embedding of the Emigre Fonts Software in digital documents or in any other form is governed by a separate license agreement. For more information regarding an Embedding License go to: <http://www.emigre.com/Embedding.html>

## LICENSE UPGRADES

The Emigre Font Software is licensed for use at a single location for use with a maximum of five (5) CPUs in conjunction with one (1) output device. The Emigre Font Software may not be shared between locations or business entities. Each additional location and/or entity must purchase a separate license to be used in accordance with the terms of the Emigre Font Software License. License upgrades may be purchased for use with additional CPUs and additional output devices. The upgrade price is calculated as a percentage of the original price of the software. The following is cumulative:

2nd printer with up to 10 CPUs: add 50 percent of original price

3rd to 10th printer with 11 to 50 CPUs: add 20 percent for each printer or each 5 CPUs

11th to 25th printer with 51 to 125 CPUs: add 15 percent for each printer or each 5 CPUs

26th to 50th printer with 126 to 250 CPUs: add 10 percent for each printer or each 5 CPUs

51st printer and over with 251 CPUs and over: add 5 percent for each printer or each 5 CPUs

If your usage exceeds the number of CPUs for a given output device category, you must purchase the upgrade with the applicable number of CPUs. Very large or unlimited uses of the Emigre Font Software will require a custom license agreement.

**Character Set and Key Map**

## Character Set and Key Map

This key map applies to Emigre's standard character set for text faces; some display fonts may have more limited character sets. If this font package includes special characters, illustrations, or small caps and fractions, please see the additional characters on the following pages.

Please note that this character set is provided under the Windows operating system; additional characters may be available with other systems, such as Macintosh.

### Note about Numerals:

Some Emigre fonts include both lining and old style figures. If your package includes both types of numerals, they are provided in separate font files.

**Lining** numerals are aligned with the height of the capital letters, creating an even appearance with upper-case text.

**Old style** numerals, also called "non-lining," have ascenders and descenders like the lowercase letters, with emphasis along the x-height, thus creating an even appearance within lowercase text.

For more information about lining and old style figures, see: [www.emigre.com/EFoGC.html](http://www.emigre.com/EFoGC.html)

### Euro Symbol

ALT 0164

Starting with the 1999 releases, Emigre fonts will include the Euro symbol in the ALT 0164 key position.

For information about the Emigre Euro font, see: [www.emigre.com/Euro.html](http://www.emigre.com/Euro.html)

The characters shown below are accessed by typing the corresponding character position number on the numeric keypad while pressing the ALT key.
